USC M.S. continued...

The USC Master of Science in Global Medicine degree answers the urgent need for professional training in concepts of global health. Combining a strong medical science foundation with interdisciplinary approaches to healthcare, our program equips future healthcare professionals with the knowledge and skills necessary to solve worldwide health issues.

The USC M.S. in Global Medicine one-year program:

- Provides rigorous academic preparation for medical, dental, pharmacy, and other health professional schools.
- Offers study abroad electives in clinical medicine and healthcare systems.
- Delivers individualized advising tailored to students' specific education and career goals.
- Offers unparalleled access to faculty who are practicing clinicians.
- Supports a vibrant student community that engages in volunteerism and social activities.

Please feel free to reach out to me if you have any questions. Thank you for your interest in our program.

So Cal Pre-Physical Therapy Conference - Feb. 27

On behalf of the Pre-Physical Therapy Club at USC, you are invited to (virtually) attend the seventh annual Southern California Pre-Physical Therapy Conference on Sunday, February 27th, 2021, from 10:00am to 3:00pm PST.

After a successful virtual event last year, we would love to have you join us for a day of panels tailored toward undergraduate students interested in pursuing a career in the field of physical therapy. Physical therapists from several different specialties and Doctor of Physical Therapy (DPT) programs all over Southern California will be discussing the diversity of the profession, as well as the admissions process to get accepted to a DPT program. We hope for students to create lasting professional connections with other Pre-Physical Therapy students and accomplished physical therapists within the region.

So Cal Pre-Physical Therapy Conference - Feb. 27

Conference Includes:

- A Keynote Speech from Dr. Cheryl Resnik, Physical Therapist, Director of Community Outreach for USC DPT, and Associate Professor of Clinical Physical Therapy at USC
- Two Specialties Panels with Physical Therapists from a variety of focuses like Orthopedics, Neurology, Pediatrics, and more!
- A Philanthropy Speaker from The Movement Network, non-profit initiative focused on providing free physical therapy services and access to healthcare for underserved, disenfranchised, and minority communities across the United States
- A SPT Panel with DPT students in their first, second, and third years
- Networking Fair with representatives from several DPT Programs

This event is open to all undergraduate students. If you would like to attend, please visit <https://www.eventbrite.com/e/seventh-annual-southern-california-pre-physical-therapy-conference-tickets-250909887227> to register.

Please register as soon as possible because capacity is limited!

If you have any questions, please contact the Pre-Physical Therapy Club at USC at uscpreptclub@gmail.com.

Explore the Majors Workshop - Feb. 24

Are you thinking about changing majors? Double majoring? Want to study something new, but not sure what else is out there? The Peer Academic Advisors are hosting "Explore the Majors", a change of major workshop. PAAs from Bio Sci, Social Ecology, Public Health, Arts, and Nursing will present on how to find majors and the process of switching. After this short introduction, PAAs will be available to answer any questions about their majors, and advise you on their respective schools! Please fill out this quick form (<https://tinyurl.com/ExploreTM>) to let us know you're coming.

Wagner Pharmacy Mentorship Program - Apply by Feb. 21

Under the mentorship of Curtis Siu, PharmD., and Cathy Siu, PharmD., students will gain exposure to pharmacy practice in the retail setting.

This program is designed to offer unique projects and opportunities that will help differentiate mentees from the typical pharmacy school applicant. The mentee will also receive guidance through the pharmacy school application process.
