RMC = Required Major Course

Recommended Elective** = Specialized major requires some electives from a shortened list and some from anywhere in the School. Asterisks denote the class is part of the shortened elective list for the major.

Elective = Approved upper division elective for the major

Blank = Not approved for that major

Winter 2026 Upper Division Labs by Major

Labs	Bio Sci	Bio/Ed	B&MB	Dev & Cell	Eco Evo	Genetics	Human	M&I	Neuro	Physio
D111L	Approved	Approved		Required		Approved	Approved	Approved	Approved	Approved
E112L	Approved	Approved		Approved	Approved	Approved	Approved		Approved	Required
E115L	Approved	Approved		Approved	Required	Approved	Approved		Approved	Approved
E186L	Approved	Approved		Approved	Approved	Approved	Approved		Approved	Approved
M114L	Approved	Approved	Required	Approved		Approved	Approved	Approved	Approved	Approved
M116L	Approved	Approved	Required	Approved		Approved	Approved	Approved	Approved	Approved
M118L	Approved	Approved	Approved	Approved		Approved	Approved	Approved**	Approved	Approved
N113L	Approved	Approved		Approved		Approved	Approved		Required	Approved

Required = Required Lab for the Major

Approved = Approved Lab Option for the Major

Approved** = One lab must be M118L or M121L. Space in M121L in Spring is limited. Most M&I majors will be required to take M118L.

Blank = Not Approved for the Major
